CONTROL PANELS

PRODUCT DESCRIPTION

CONTROL PANELS

We supply control panels for our cranes, hoist groups and winches, as well as modernisations for older systems. We design and build each system to suit the customer and the application.

We offer:

- contactor panels
- frequency inverter panels for stepless speeds
- stainless and acid-proof enclosures
- explosion-proof panels for Ex areas
- common control panels for hoist and crane groups
- electrical panel design
- testing and inspection
- delivery and installation
