PLANETA PREMIUM PRO LEVER HOISTS

Planeta PREMIUM PRO lever hoists are high-quality lever hoists made by the German company Planeta-Hebetechnik GmbH, designed for demanding industrial applications. Their compact, lightweight yet durable design makes them an excellent choice for many lifting needs. The hoist

has a galvanised load chain (DIN EN 818-7-T), overload protection and a freewheel clutch that lets the chain be pulled through quickly without load. Accessories include a chain bag and a short model combined with a trolley.
