PULLEY-MAN MINI WINCH

PRODUCT DESCRIPTION

PULLEY-MAN PORTABLE MINI WINCH

A really compact hoist for small lifting jobs such as installation and maintenance work. The small winch is light to carry and is powered by an ordinary cordless drill. It can also be used as a pulling winch.

Technical data:

- Net weight 7.5 kg with 12 m of wire rope
- Hook suspension, swivel hooks
- unlimited lifting height, the rope runs through the winch
- automatic load brake, self-locking gearbox
- 4.76 mm galvanised aircraft cable with latch hook
- CE approved
- 12-month warranty
